

2016 CGCI Award Judging Guidelines

December 1, 2016 Submission Deadline

Some of these awards are eligible for Pacific Region consideration. They must also include a PR application. If your committee awards a first place to an entry that does not include this additional application form, the judging chair is to fill in the top portion of the appropriate form and print "see attached" for the remaining information. Attach that form to the winning entry before forwarding the entry to the Awards Chair. The CGCI Awards Chair submits all entries from California to PR.
