The information contained in this document is intended to provide guidance to those applying for or renewing GTEP membership. CGCI is neither a law firm (and thus is not giving legal advice) nor a tax advisory firm. The following information was compiled from publicly available documents and websites including the IRS and State of California, CGCI's Bylaws and CGCI's official calendar (for dues payments and other internal procedures).

CGCI is a member of National Garden Clubs, Inc., Pacific Region
and is a 501(c)(3) organization listed on the California Registry of Charitable Trusts

CGCI Group Tax Exemption Program (GTEP)

What is it?

- It is the opportunity for a member Garden Club or District to obtain Tax-Exempt Status under the CGCI exemption “umbrella”.

Why is this allowed?

- California Garden Clubs, Inc. is a not-for-profit educational organization under Section 501(c)(3) of the Internal Revenue Code. This section affords CGCI tax-exempt status.
- CGCI applied for and received a group exemption letter recognizing subordinate clubs and districts of the type described in
 - Section 501 (c)(3) of the Internal Revenue Code on November 15, 2006
 - Revenue and Tax Code Section 23701d of the California Franchise Tax Board on November 9, 2010, retroactive to November 15, 2006.
- By obtaining these Group Exemptions, CGCI is able to pass along to its subordinates its tax exemption status under both Federal and California codes.
- Thus, qualifying member clubs and districts are eligible to be considered tax-exempt organizations under the same status as CGCI, *as long as they follow the guidelines set by CGCI on the basis of IRS and California FTB requirements.*
- In order to continue in the CGCI Group Exemption, the member clubs and districts also need to meet all Federal and California tax form and filing requirements.

What are the benefits?

- By being included in the Group Exemption Letter
 - subordinates do not have to file an application for exemption
 - members of the Group Exemption can accept donations that are tax-deductible under the law
 - (Bequests, legacies, devises, transfers, or gifts are deductible for federal estate and gift tax purposes if they meet the applicable provisions of section 2055, 2106 and 2522 of the Code.)
 - members of the Group Exemption do not have to pay the fees to obtain an exemption letter

WHAT ARE THE GTEP REQUIREMENTS?

- Your club must
 - be federated as a member club and carry on the mission of CGCI.
 - have been ratified as a member of CGCI and have one or more objectives in common.
 - be a member of a CGCI district
 - be subject to, and participate in, CGCI's general supervision and control.
- In addition *according to the IRS, to qualify, your club must:*
 - have complied with the IRS requirement to file an annual information return or electronic notice [the *e-postcard* Form 990-N] for tax years beginning in 2007 and subsequently.
 - The Pension Protection Act of 2006 mandated annual reporting by non-profit organizations.
 - The IRS has begun to revoke the tax-exempt status of organizations that failed to file for three consecutive years.
 - be exempt under the same paragraph of IRC 501(c)(3) as CGCI
 - In other words, your club must qualify for tax exemption as an *educational and charitable organization*, having objectives and activities that are the same as those of CGCI. The MAJORITY of activities must be educational. (Flower shows, speakers, tours and the like are all “educational” activities.)
 - have club bylaws, which include the required IRS language
 - have articles of association/affiliation mirror with CGCI.
 - This is a form your club needs to read, discuss and agree to.
 - use the same accounting period as CGCI. (July 1– June 30)
 - maintain a detailed description of the purposes and activities of your club, including the sources of receipts and the nature of expenditures.
 - This description of activities shows that the majority of your club or district activities are educational.
 - renew this information with CGCI by FEBRUARY 1 of each year.
 - have an authorized officer of your club give permission on the appropriate form to CGCI IN WRITING, each year by February 1, that states your club wants to be included in the CGCI Group Tax Exemption Program for the next fiscal year.
 - *CGCI Districts are eligible to apply for membership in the CGCI Group Tax Exemption Program if they comply with the above procedures.*

PLEASE NOTE: The GTEP application form is submitted **ONLY ONE TIME...**
when initially applying for group membership
In subsequent years you submit the RENEWAL FORM

YOU must file an annual Federal tax return:

1. **Who?** Any nonprofit organization whether it has received a federal tax exempt determination or not, and whose gross receipts are normally \$50,000 or less per tax year.
2. **What?** Electronic Form 990-N is for small nonprofits to use to satisfy a reporting rule for groups grossing \$50,000 or less. The “e-Postcard” is required of every exempt organization (except churches) that do not have to file (or choose to file) a Form 990 or a Form 990EZ.
3. **What else?**
 - a. Organizations that have **failed to file this form for three successive years** have had their tax-exempt status automatically **revoked by the IRS** and must apply to the IRS to reinstate their tax exempt status.
 - b. **If revoked, club is NO LONGER a member of GTEP and cannot re-apply to GTEP** should they receive IRS reinstatement
4. **When?** The e-Postcard is due every year by the 15th day of the 5th month after the close of your tax year.
 - a. The tax year for CGCI and most of the members of its Group Exemption is **July 1-June 30**. Filing is due by **November 15**.

5. Instructions for filing a Form 990-N?

- a. This can **only** be done on a computer (at home or public library, for example), it must not be downloaded and mailed in to the IRS.
- b. **You will need your club's EIN** as you use the road map below for filing.
- c. **Go to <http://epostcard.form990.org>**
 - i. click on "Register as a New User" the first time you file; (in the future you will just log in and file); click on "Next".
 - ii. On the "Request Login ID" page you will select "Exempt Organization", the program will provide you with your "Login ID" (**WRITE IT DOWN!!!**). See Appendix J
 - iii. It will ask for a Password (**MAKE UP YOUR OWN AND WRITE IT DOWN!!!**), Fill in the rest of the page and click on "next." See Appendix J
 - iv. You may get a message that "you will receive an email containing a link that will allow you to activate your login ID and create your e-postcard." (The email could arrive in as few as five minutes.)
 - v. When you click on the link in the email, you will follow the instructions to "Activate Login ID" **NOTE:** Because you are under the CGCI umbrella the "Org Name" may read "California Garden Clubs, Inc." (**NOT TO WORRY**, we will discuss this at item viii below); Enter the password you wrote down at #3 and click "Next".
 - vi. Click on "Create your Form 990-N (e-Postcard) Now."
 - vii. On the "Organization Information" page the IRS will provide the tax year period they have on file for you; you will click that you haven't gone out business and that your gross receipts are normally \$50,000 or less. (If normally **greater** than \$50,000 you need a different form [990 or 990-EZ] and cannot file the 990-N); again the "legal name" may show as California Garden Clubs, Inc.--Refer to viii; click "Next Page."
 - viii. On this page ("Organization Address and Principal Officer Information") you can **enter, in the DBA area, your club's name and fill in the rest of the information and click "Save Changes;"** Then click "Submit Filing to IRS." This completes the filing process.
 - ix. You should click on for a few screens. You will receive an email from Urban.org that the IRS has accepted your e-Postcard. Then you should click back through the process, entering your Login ID and Password and then view and print out the postcard (this is not a necessary part of the filing). **SAVE THIS PRINTOUT**, in case there is any question about whether you have filed. Again, **DO NOT mail the form to the IRS.**
 - x. Be sure to save your printouts, Login ID and Password for your Club officers now and in the future.

ROCT Annual Filing

Every charitable nonprofit corporation, unincorporated association or trustee holding assets for charitable purposes that is required to register with the Attorney General’s Office **is also required to annually file Form RRF-1** regardless of whether the corporation files Form 990s annually or is on extended reporting.

Raffles:

In California, charities and certain other private nonprofit organizations may conduct raffles to raise funds for beneficial or charitable purposes in the state. California requires that at least 90 percent of the gross receipts from these raffles go directly to the beneficial or charitable purposes of the organization (i.e. NO 50/50 raffles).

Unless specifically exempted, a nonprofit organization **must register with the Attorney General's Registry of Charitable Trusts prior to conducting the raffle and file an aggregate financial disclosure report for all raffles held during the reporting year.** Forms for registering and reporting activities are available for download at <http://oag.ca.gov/charities/forms>.

- A sample copy of CT-NRP 1 – Registration is Appendix H
 - Registration fee is \$20 per year
- CT-NRP 2 – Annual Filing is Appendix I (This is a single **aggregate** report for all raffles held during the reporting year --September 1 through August 31-- regardless of the number of raffles held)

The registration period for conducting raffles is September 1 through August 31 annually. Registration must be completed prior to conducting raffle-related activities, including the selling of raffle tickets. An organization must file the raffle registration form at least 60 days before the scheduled date of the raffle in order to give Registry staff sufficient time to process the form. The Registry does not confirm receipt of raffle registration forms. An organization that wants confirmation that the Registry has received a form must submit the form to the Registry by requesting "certified receipt," a service available at the U.S. Post Office.

FREQUENTLY ASKED QUESTIONS (FAQS):

1. **If our club is a member of CGCI, are we automatically included in the CGCI Group Tax Exemption Program as a non-profit 501(c)(3) club?**
 - a. NO. The IRS has specific requirements that make a club eligible to be deemed a 501(c)(3) non-profit organization. Not all clubs qualify.
2. **Does our club have to be in the Group Tax Exemption Program to belong to CGCI?**
 - a. NO. Participation in the program is strictly optional.
 - b. **But your club MUST BE A MEMBER OF CGCI and the local district to apply for participation in the Group Tax Exemption Program.**
3. **Our club has a fundraiser coming up. How long does it take to be approved?**
 - a. That depends. According to the IRS, if a club meets all the requirements and completes the necessary paperwork, the club will then be presented for approval as a new member of the CGCI Group Tax Exemption Program at the next meeting of the CGCI Board of Directors.
 - b. But the important thing to know is that no matter what actual date your club is approved, your exemption will be in effect for the entire calendar year.
 - c. Your club does not have to be a member of GTEP in order to conduct the event.
4. **Why do you want a list of our club activities?**
 - a. Not all "non-profits" qualify for 501(c)(3) status .
 - b. The IRS has only a few, specific categories it will allow.
 - i. The IRS granted CGCI its 501(c)(3) status as an **educational** non-profit organization. To be included under the CGCI exemption, it only follows that the club must also be an **"educational"** non-profit organization.
 - ii. Therefore, a club must demonstrate that its activities are mainly educational. Tours, speakers, programs, flower shows, scholarships and all like activities are considered "educational" and should be prominent in your list of activities for your IRS file.

5. **What kind of financial statement is required?**

- a. The IRS wants a general idea of where your club gets its income and how it spends its money.
 - i. Please do not send a list of checks and deposits. This does not help!
- b. A simple list of categories is much more appropriate.
 - i. For income the list could include categories such as dues, fundraiser, donations, etc. The expenses could include rental, postage, programs, office supplies, etc.
 - ii. Appropriate reimbursements for services and travel are allowed. Even salaries are allowed. It must just be evident that funds do not accrue to one or a few select people who are skimming funds for their self-aggrandizement.

6. **If we are a non-profit, do we still have to pay sales tax?**

- a. Absolutely! 501(c)(3) status is granted by the US Federal government Internal Revenue Service.
 - i. It applies to Federal income tax. It also applies to state income tax in that state income tax returns are based on federal returns.
- b. It has nothing to do with state sales tax as these rules differ from state to state.
 - i. Sales tax applies to the revenue from plant/craft sales (any items sold), silent and live auctions etc.
- c. For complete information see the **Board of Equalization Pub 18**. It can be downloaded from the GTEP page on the CGCI website.

7. **Once accepted, what do we have to do?**

- a. Each club or district in the CGCI Group Tax Exemption Program is required to file an annual information return or notice with the **IRS** by November 15 (or the 15th day of the 5th month after the close of their fiscal year).
 - i. Organizations with gross receipts normally less than or equal to \$50,000 file the electronic postcard **Form 990-N**, but may choose to file a full return.
 - ii. Those with gross receipts more than \$50,000 but less than \$200,000 and with assets less than \$500,000 must file **Form 990-EZ** or **Form 990**.
 - iii. It can only be done on a computer and must not be mailed to the IRS.
 - iv. The IRS will revoke the tax-exempt status of an organization that fails to file a return or notice for three consecutive years.
- b. Starting January 1, 2011, the State of California required each club or district in the CGCI Group Tax Exemption Program to file an annual information return or notice with the **State of California Franchise Tax Board** by November 15 (or the 15th day of the fifth month after the close of their fiscal year).
 - i. Organizations with gross receipts normally less than or equal to \$50,000 file the California electronic postcard **FTB Form 199N** but if eligible may choose to file a complete **FTB Form 199**.
 - ii. Those with gross receipts more than \$50,000 must file FTB Form 199.
- c. Please be aware that a member of the CGCI Group Tax Exemption Program may also be responsible for any Federal or State of California applicable filing requirements and taxes on unrelated business income.
- d. The IRS and California Franchise Tax Board require that CGCI check with each member of the Group Tax Exemption Program each year to verify that they want to remain in the Group Tax Exemption Program.
 - i. Each member of the Group will receive a renewal form during the first quarter of the CGCI fiscal year.
 - ii. It asks that you indicate that your club or district wishes to continue in the Group Tax Exemption Program and the dates the required IRS and CA FTB returns or notices were filed, include an updated financial report and an updated list of club activities.
 - iii. These papers will be filed in case of audit of CGCI's records. A \$15 fee is charged to defray administrative and professional expenses.

8. **We are already a member of the CGCI Group Tax Exemption Program. Must we "renew" each year?**
 - a. **Yes.** This is a requirement of the IRS and the CA FTB.
 - b. Renewal forms are sent out during the first quarter of CGCI's fiscal year.
 - c. They must be completed and returned to the Group Tax Exemption Program chairman by February 1 for the club or district to be included in the Group Tax Exemption Program for the following fiscal year.
9. **Once we become a nonprofit, are there any other requirements?**
 - a. Our mailing address and/or officer has changed. Should we notify the IRS?
 - i. You can file IRS Form 8822-B (business) and FTB form 3533. Once the form is on your computer screen, you can fill in the blanks and then print out and mail. (Note: Suggest you attach a copy of the minutes from meeting when elections held)
 - ii. Or, when you file your annual 990-N form, enter the new address and new principal officer information and the IRS will eventually recognize the change.
 - b. Our officers have changed in mid-term. What do we do?
 - i. Notify the GTEP Chairman
 - c. We don't know what our EIN is (or have never applied for one). What do we do?
 - i. The easiest way to find out what your EIN is to look at your bank statement or ask the bank where you have your checking account.
 - ii. If you've never had an EIN, you can apply online.
 - d. OK, we've applied to the CGCI program, have been ratified by the CGCI Board of Directors and have received our letter of acceptance. We contacted the IRS, and they don't show our group as a 501(c)(3) tax-exempt organization. Why not and what do we tell our donors?
 - i. The IRS has directed that **CGCI can only make one filing annually**, reporting renewing Clubs/Districts and newly recognized Clubs/Districts since the last annual filing.
 - ii. However, in its group exemption letter, the IRS has granted to CGCI the authority to confer tax-exempt status to its approved members between CGCI's annual filing.
 - iii. Clubs and Districts that are part of CGCI's Tax-Exempt Group are listed on the CGCI website on the Tax-Exempt Group List after they have been ratified by the CGCI Board of Directors.
10. **If we have questions, whom do we contact?**
 - a. Contact the Chairman of the CGCI Group Tax Exemption Program as listed on the cover of this Handbook.

CGCI 501(c)(3) Group Tax Exemption Information

Revising club bylaws to contain the IRS-approved language.

Instructions for amending your club bylaws to include the
“Requirements to be Exempt as an Organization described in section 501(c)(3) of the Internal Revenue Code”

The Internal Revenue Service requires that club bylaws include specific language in order for the club to be considered a nonprofit, exempt organization as described in section 501(c)(3) of the Internal Revenue Code. The five (5) paragraphs in the box below are the IRS-approved 501(c)(3) language that needs to be included in your clubs bylaws (organizing document) to demonstrate that your organization is, indeed, a non-profit public-benefit organization.

The **exact wording** in the five sections below are **all** required by the Internal Revenue Service: they include purpose, inurement, lobbying, notwithstanding, and dissolution clauses. The sections may be included separately within different articles of your bylaws or they may be added as one, complete amendment as appears below.

Contact the CGCI Group Tax Exemption Program Chairman if you have any questions: taxexemptgroup@cagardenclubs.org

DIRECTIONS: Submit a full copy of your clubs bylaws (governing document) to CGCI. Make sure your bylaws are

- a. dated with the date these bylaws were legally approved by club membership/governing body
- b. signed by two (2) officers with the date they are signed to certify the copy is a true copy of the bylaws (governing document) of your organization.

•••PLEASE make sure the NAME of your organization is also included in the bylaws. •••

Please note that both the purpose and membership statements of your bylaws must reflect the 501(c)(3) charitable and educational purpose of your organization.

(If using the Article below as one unit, please give this article a new number to consistent with the numbering in your bylaws)

Article _____ Amendment to the By-laws Requirements to be exempt as an Organization described in section 501(c)(3) of the Internal Revenue Code

Section 1. Said organization is organized exclusively for charitable, educational, or scientific purposes, including, for such purposes, the making of distributions to organizations that qualify under section 501(c)(3) of the Internal Revenue Code, or the corresponding section of any future federal tax code.

Section 2. No part of the net earnings of the organization shall inure to the benefit of, or be distributable to its members, trustees, officers, or other private persons, except that the organization shall be authorized and empowered to pay reasonable compensation for services rendered and to make payments and distributions in furtherance of the purposes set forth in the purpose clause hereof.

Section 3. No substantial part of the activities of the organization shall be the carrying on of propaganda, or otherwise attempting to influence legislation, and the organization shall not participate in, or intervene in (including the publishing or distribution of statements) any political campaign on behalf of or in opposition to any candidate for public office.

Section 4. Notwithstanding any other provision of these articles, the organization shall not carry on any other activities not permitted to be carried on (a) by an organization exempt from federal income tax under section 501(c)(3) of the Internal Revenue Code, or the corresponding section of any future federal tax code, or (b) by an organization, contributions to which are deductible under section 170(c)(2) of the Internal Revenue Code, or the corresponding section of any future federal tax code.

Section 5. Upon the dissolution of the organization, assets shall be distributed for one or more exempt purposes within the meaning of section 501(c)(3) of the Internal Revenue Code, or the corresponding section of any future federal tax code, or shall be distributed to the federal government, or to a state or local government, for a public purpose. Any such assets not so disposed of shall be disposed of by a Court of Competent Jurisdiction of the county in which the principal office of the organization is then located, exclusively for such purposes or to such organization or organizations, as said Court shall determine, which are organized and operated exclusively for such purposes.

What does the required language mean?

Below is a brief and very unprofessional explanation of what each section means in common language.

Section 1: This paragraph promises that the club or district was formed with the purpose of being “charitable” or “not-for-profit.” The government approves several types of activities as “charitable.” “Education” is an approved activity that is most applicable to garden clubs and districts. “Science” applies to a lesser degree. This paragraph promises that the majority of the effort put forth by the club or district will be educational and perhaps also scientific, as far as the science of gardening goes.

Section 2: This paragraph promises that the organization will not act to benefit an individual(s). In other words, no individual(s) will make money off this club or district. Members or others may be paid a “reasonable” compensation for services and expenses, but no one will personally profit (as in “get-something-for-nothing,” “skim money off the top” or charge unacceptable expenses to the organization.)

Section 3: This means that the **major part** of the club or district business will be for carrying on educational activities, but not activities of a political nature. Politics & promoting political candidates may **not** be a major activity of the club or district. Of course we all have freedom of speech in this country and we are not precluded from expressing our opinions. But to be a 501(c)(3) club or district, political posturing must be kept to a very small part of the day-to-day business of the club or district.

Section 4: This paragraph is basically stating that this club or district will behave as the IRS, and the public in general, expects a non-profit organization to behave.

Section 5: The IRS is giving a break to people who donate to your club or district. The government agrees to **not** charge the donor income tax on the amount of money given to your club or district. In effect, the government, itself, is giving-up the income it would have gotten from the taxes on the donation amount. So, the government rightly believes the money received by the club or district is “special.” (It wasn’t taxed.) Therefore, if the club or district decides to shut down, the government wants this “special” untaxed money to go to some other non-profit that has the same non-profit status [501(c)(3)] as your club or district. If your club or district can’t find another non-profit to give its money to if/when it closes down, the government says it will take the money and distribute it for you. That’s the deal. After legitimate expenses, donated money must stay in the hands of approved non-profit organizations or it all gets turned over to the government and the government will see that it gets used for charitable purposes.
