Become an NGC Environmental Consultant!

The mission statement of the NGC Environmental School is to teach environmental literacy to cherish, protect and conserve the living earth.

The courses teach participants environmental literacy, appreciation of the natural world, encourages action for sustainable development and appreciation for the interrelation of all-natural things. Particular emphasis is presently placed on land conservation, water conservation and air quality.

Note that Course 1 and Course 2 will be held back to back as well as Course 3 and Course 4.

Study Books: *Bringing Home Nature*- Douglas Tallay and *Living in the Environment*, G. Taylor.

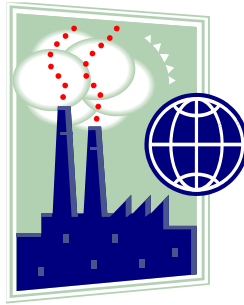

Here is your opportunity to attend all courses in one year and become an Environmental Consultant.
