**Effective March 1, 2016:** One application per organization/ school (organization can be a club, master gardener, etc.) can request up to 35 FREE kits. After that we would appreciate a donation of \$1 per kit to help us underwrite the cost -shipping cost donations are ALWAYS appreciated! If more kits are needed, and if there is sufficient funding, exceptions can be made. Exceptions will be made based on how the kits will be used and at the discretion of the President’s Project Committee. We are trying to reach as many children as possible. **ONE KIT PER CHILD PER YEAR.** Turnaround time is 4-6 weeks. Describe briefly how you will use the kits.

CHOOSE THE OPTIONS BELOW BY FILLING IN THE BOX WITH THE NUMBER OF KITS YOU ARE REQUESTING.

**Herbs Kit.** Includes seeds for planting herbs, colorful 5”x 7” information cards, information about CGCI and ideas for creating recycled planting containers. Herbs are easy to replant into appropriate containers for kitchens or outdoors. Everything is wrapped up and ready to be used to start a fresh herb garden at home.

**Green Machine Kit.** Includes a variety of lettuce/greens seeds, colorful 5”x 7” information cards, information about CGCI and ideas for creating recycled planting containers. Everything is wrapped up and ready to be used to start a fresh salad garden.

**Watch-Us-Grow Kit.** (appropriate for preschoolers and kindergarten) Includes bean seeds (Fabraceae family) and radish seeds (Brassicaceae family) that make up two separate projects; one to create a “bean necklace” and one to make a “Magic Sprout Box.” The kit also includes 5”x 7” information cards, information about CGCI and ideas for creating recycled planting containers. Everything is wrapped up and ready to be used for 3+ years old to watch the seeds sprout.

**Plant a Rainbow Kit.** Includes three different seed cards from the following list, depending on the time of year. Seed packets are attached to each card – Beans, Beets, Broccoli, Carrots, Kale, Peas, Squash, Sunflower or Tomatoes. These seeds are meant to be grown in a bigger area and don’t like to be transplanted. Illustrated planting guide, colorful 5”x 7” information cards, information about CGCI and ideas for creating recycled planting containers. Everything is wrapped up and ready to be used to start a fresh vegetable garden at home.

**Pollinator Paradise Kit:** Includes “Seeds for Butterflies,” or “Seeds for Pollinators”. Information about CGCI and ideas for creating recycled planting containers. An illustrated information/instruction leaflet, pollinator masks and an assortment of colorful 5”x 7” information cards all wrapped up and ready to be used to create an outdoor garden that fosters pollinator habitat.
